OVERVIEW

Family law heads news in the times of the Coronavirus, from visitation and alimony, to travel bans; from domestic violence to marriages online. The current climate also shows an increase in families seeking advice on succession planning and wills amidst these uncertain times.

DIANA HAMADE

Managing Partner, Diana Hamade Attorneys at Law in partnership with EKP Legal

Diana Hamade is the founder of Diana Hamade Attorneys at Law and partner at EKP based in Dubai. Prior to merging with EKP, Diana founded and managed her firm for 10 years. Diana is a UAE-licensed lawyer with right of audience before all UAE Courts including DIFC courts in Dubai. She is licensed by the Ministry of Justice, the Dubai Legal Affairs Department, and the Abu Dhabi Judicial Department. She is also a registered practitioner with the DIFC courts and a registered Wills draftsman with the DIFC Wills Service Center.

Diana is an expert in civil and sharia law and specialises in family law matters with emphasis on succession planning and wealth management. Her expertise also extends to dispute resolution covering several sectors.
