

# Women Lawyers: Female Leadership

19 May 2020 | 11AM to 12PM (UAE)

[REGISTER HERE](#)

## OVERVIEW

With the steady rise in female lawyers fulfilling leadership roles, it only seems fitting to embrace this opportunity and explore this increase and provide guidance to current and future female leaders. Kiran will discuss her views on:

- The leadership behaviours required to lead through change in the 21st century;
- Why these leadership behaviours lend themselves to female leadership; and
- 5 Top Tips to ensure you exhibit the leadership traits required to deliver success in these challenging and disruptive times.

### KIRAN SCARR

*Co-Founder & Principal, Changeosity*

Kiran has been known to sport the bravest of hearts, the kindest of souls and the most curious of minds.

Kiran Scarr is a distinguished legal, compliance, and governance expert. Her career has seen Kiran transform from an international public-private-partnership lawyer at magic circle law firms in the UK, Australia, South East Asia and the Middle East to a multi award- winning C-suite leader. Twice named the General Counsel of the Year in the Middle East, Kiran is described as a corporate strategist, collaborator, and leader through change. She is an expert in legal systems, compliance, corporate governance and public and regulatory affairs. Her personable style and remarkable intellect have enabled her to solve the most complex of strategic problems. She can anticipate consequences and create clear strategy to overcome obstacles and challenges along the way.
