Essential information you can't get anywhere else

On top of fully amended and consolidated laws, translated from Arabic to English by our strategic partner Sader Legal Publishing, and regulatory material for more than 50 freezones and agencies, Lexis Middle East is the only platform that includes translations of all GCC gazette indexes and more than 15,000 case summaries.

Accomplish tasks faster with know-how from leading local practitioners

The new Lexis Middle East platform encompasses a complete up-to-date set of practical guidance tools and documents: *Questions & Answers*, *Getting the Deal Through*, *Toolkits*, and more than 1,500 exclusive Practice Notes from *Gulf Legal Advisor*.

Gulf Legal Advisor makes each discipline accessible through the guidance of lawyers who work in that field of law, day in and day out. It provides busy practitioners with the what, how, and why of the GCC laws that they need to work profitably daily.

Work at maximum efficiency with cutting-edge features

The new powerful search engine comes with numerous innovative features such as *Fast track*, *Drilldown*, *Case Pathfinder*, or *Dynamic Table of Content*, which have been designed for quick and easy access to the information you need.

The entire platform is accessible on mobile enabling you to answer critical questions on the go.

Stay on top of the latest developments

Access magazines like *The Oath* or *The MENA Business Law Review*, regional office law firm newsletters like *Al Tamimi & Co's* or *Clyde & Co's* and daily news updates drawn from over 350 local sources.

Receive alerts regarding any new content or content updates on the platform via our fully customisable alert module.

Support you can count on

With our GCC-wide team on the ground supported by our London and Paris offices, our team is on hand to assist you face-to-face or remotely to ensure that you make the best out of our solutions.

"As client, I have been really satisfied with Lexis Middle East. Their database is the most comprehensive and user-friendly legal tool dedicated to the Gulf countries. When you are under extreme time pressure, using it is not only a real time-saver but also gives you a comprehensive view of the sometimes challenging legal landscape in the region."

NEW FEATURES' HIGHLIGHTS

Fast track

Fast track is a new way to access the document that you are looking for in one click if you know its title.

Just type in few characters from the document title and the Fast track list will open. When you click on one document in the Fast track, the document will open directly: you won't have to go through the list of search results.

Drill down

In the search result list, below each result, a short excerpt is shown, but this is sometime not sufficient to understand if the document is relevant for you.
